

# Avoiding Common Pitfalls

1. **Don't overcomplicate:** Keep to 2-4 syllables
  2. **Avoid Earth name copying:** Create new combinations, don't just modify existing Earth names
  3. **Balance sounds:** Mix hard and soft consonants
  4. **Test pronunciation:** If it's a tongue-twister, simplify
  5. **Consider character background:** Name should fit their origin and role
  6. **Maintain consistency:** Follow established patterns from the setting
