Common Mistakes to Avoid

- ❌ Using clan designation in casual conversation between friends
- ✅ Use personal name only: "Aelira says the storm will pass soon"

- ❌ Omitting clan in official documents
- ✅ Always use full formal: "Approved by Aelira kin-Hanga Thornvale"

- ❌ Adding unnecessary complexity
- ✅ Match formality to context

- ❌ Mixing Earth and Duskaran conventions incorrectly
- ✅ Follow established patterns for surnames
