Regional Variations

Twilight Belt settlements:

- Tend toward wind/storm-related sounds
- Harder consonants, reflecting environmental harshness
- Examples: Thryne Stormridge, Zade Thornvale

Night-side cave dwellers:

- Softer sounds, more vowel-rich
- Names often shorter, more whispered
- Examples: Lyanne Velseris, Feryn Loraketh

Day-side workers (rare):

- Sharp, heat-evocative sounds
- Strong emphasis on harsh consonants
- Examples: Khoran Ashenfall, Zhyrin Ryshar
